Subject: Training request

Deputy,

Please find a training request and an OOS request to attend a two day training in New Jersey.
The training is about medical treatment and rescue in a high threat environment.
The training is being evaluated on its effectiveness and worth to be brought to the region. If deemed worthy the training will be brought to the region and given to police/fire and EMS

through the region.

Members of the MBHRS T&E committee are requested to attend, of which I am the current Vice President of. Members to include Boston Police, Fire and EMS as well as members of the Cambridge Police and Fire.

This training is directly related to my duties as SRT commander and VP of the T&E committee.

I have attached a link to the training for you to evaluate.

Thank you
